Revenue Sharing Tokens

Different from profit sharing, revenue sharing is to split the income equally. However, the income on blockchain is transparent and verifiable. Even without systematic calculation, the holder can also do the math. We keep the profit model simpler, more open and more transparent.

Gene NFT

Now, the price of Dollia Gene NFT is 50% off!

DLST Drop

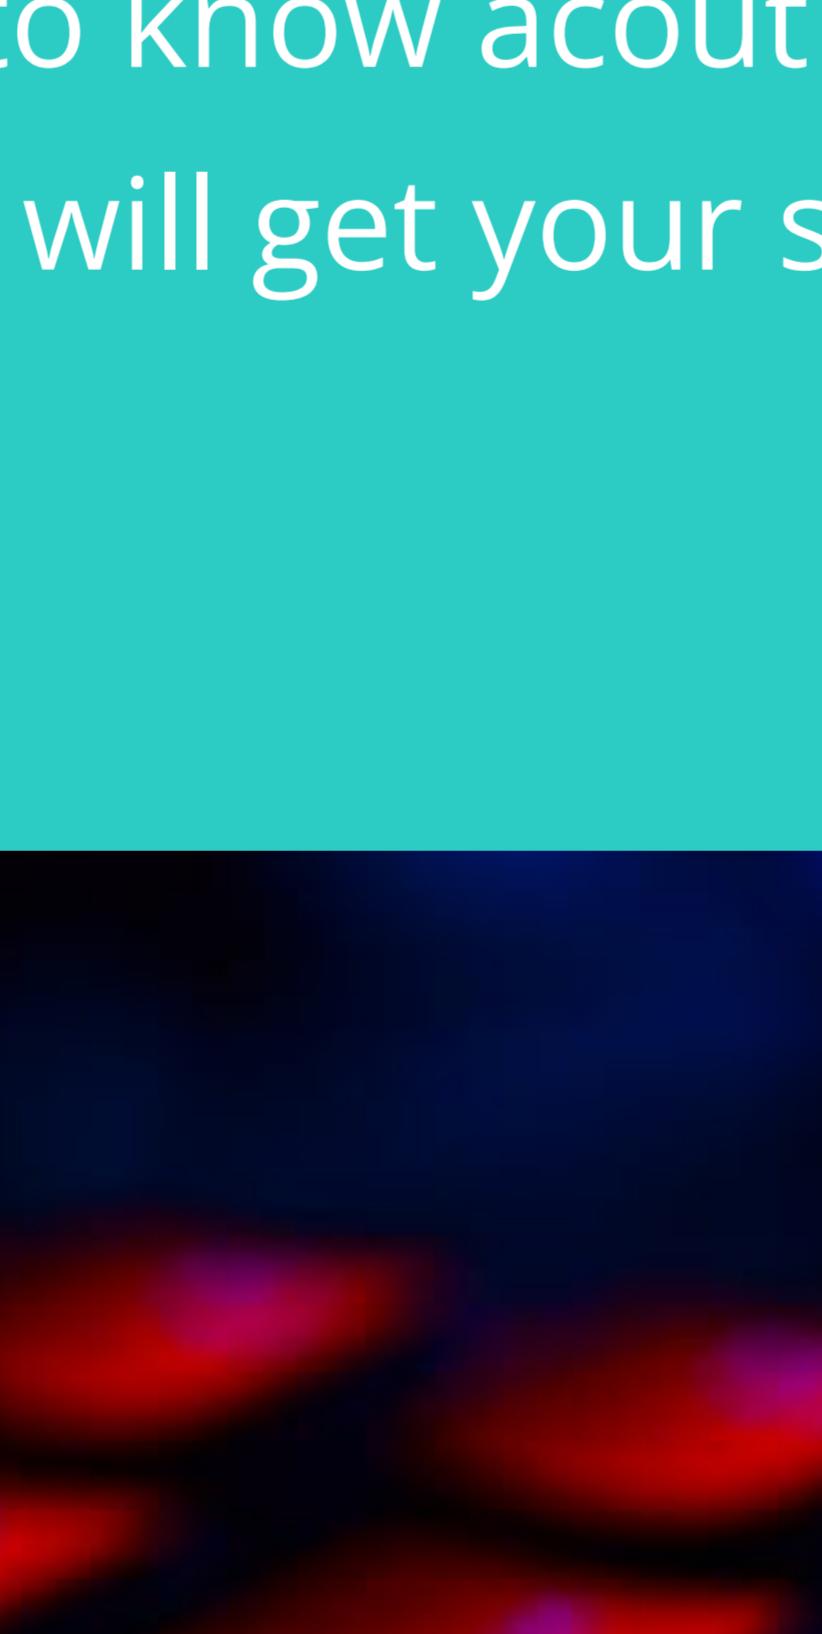

Anyone purchases a Dollia Gene NFT receives a drop of 200 DLST!

Partner Program

Register at Dollia Partner Program to earn your payouts!

Don't forget to pledge!

DLST holders can throw their DLSTs into the Sharing Pool to get added value. After every rising period, the benefits will be allocated to DLST holder's account.

Earn more with your friends!

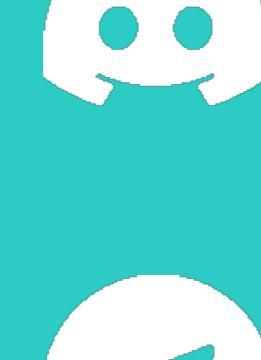

Wanna earn more than that? Get to know about our Partner Plan! You will get your sales commission.
